INVITATION

This multi-conference is still very much in the making, but it is already shaping up as the largest (and hopefully the best) computing and information systems conference staged in Poland.

The FedCSIS multi-conference consists of a significant number of Events, but the Call for Events is open in all areas of computer science and information systems and new proposals for associated Events (conferences, symposia, workshops, special sessions, etc.) are cordially invited until 1-May-2011.

EVENT PROPOSALS

The organizers of FedCSIS 2011 invite proposals for associated Events (conferences, symposia, workshops, special sessions). The Events can run over any span of time within the conference dates, i.e. from half-day to three days.

Event proposals should include the following information (within a maximum length of 2 pages):

1. *The nature of the Event.*
2. *The title the Event and a clear description of the topic including a brief justification.*
3. *The complete contact information of the Event organizers, including a link to their personal websites, and an overview of previous experiences with organization of scientific events.*
4. *Indication of the expected number of papers/attendees to attend the Event.*
5. *Information of expected post-event publications, of extended and revised papers in high-quality journals, edited volumes, etc.*

GOALS

The organizers of FedCSIS 2011 invite proposals for associated Events (conferences, symposia, workshops, special sessions). The Events can run over any span of time within the conference dates, i.e. from half-day to three days.
The FedCSIS Events are expected to provide a platform for bringing together researchers, practitioners, and academia to present and discuss ideas, challenges, and potential solutions on established or emerging topics related to research and practice in computer science and information systems.
The Events will be selected based on the scientific/technical interest and/or their relevance to practitioners in their topics, the clarity of the proposal in addressing the requested information, the innovativeness of the Event topics, and the capacity in the FedCSIS conference program.
